

Bluebird Nest Box Workshop

Sunday July 21, 2013 1:00 PM
Visitor Center at the Park Office

Join us for presentation on the natural history, decline and recovery of the Eastern Bluebird. Learn how you can assist this beautiful and beneficial bird in your backyard. All ages are welcome for this **free** program. After the program you may participate in the assembly of a pre-cut nest box, or take a kit along. Cost is \$12.00 for each box. If possible bring a hammer or cordless drill. Information is available for anyone interested in volunteering as a bluebird nestbox trail monitor for Codorus State Park .
